

Ethan Bell

Full Stack Web Developer

[\(314\) 601-1794](tel:(314)601-1794) wmmethan@gmail.com [linkedin.com/in/ethan-bell-859b601b4](https://www.linkedin.com/in/ethan-bell-859b601b4) github.com/ethan33456

With substantial experience in a fast-paced agency setting, I have developed skills across various technologies and software. Recognized for my innate problem-solving abilities, I excel at delivering efficient and straightforward solutions. Additionally, I have a keen eye for design, enabling me to design and develop visually appealing and user-friendly web interfaces.
